Features and Benefits:

The secret to the Gary's QuickSteak® Corned Beef is the release process on the grill. Easily break apart or defrost the amount required for your recipe. The meat slices separate into lean, tender and juicy slices on the grill in seconds. Gary's QuickSteak® delivers on flavor and profit and will please your grill cooks and customers equally!

Boost your grill productivity with Gary's QuickSteak® products. You will see measurable savings with less waste, labor and menu planning. Expand your sandwich menu with a variety of recipe options such as corned beef hash, corned beef and sauerkraut pizza, or Reuben sandwiches!

- Hearty taste of corned beef
- Lean and juicy slices with a tender bite
- Evenly marbled at 85% lean
- No gristle or sinew
- No MSG or Soy
- Versatile Menu Options

COOKING PREPARATION:

Flat Top Grill -

Our Steaks cook best on a flat top grill pre-heated to 350°F

- 1. Place frozen or thawed portion on the grill and add desired seasonings.
- 2. As cooking begins flip the portion once.
- 3. As the meat slices begin to release; continue to separate with the spatula. Use caution not to over-cook.
- 4. Cook until product has reached an internal temperature 165°F.

Conventional Oven -

Our Steaks cook best on a conventional oven pre-heated to 350°F

- 1. Place frozen or thawed portion in a oven safe pan and add desired seasonings.
- 2. As cooking begins flip the portion once.
- 3. As the meat slices begin to release; continue to separate with the spatula. Use caution not to over-cook.
- 4. Cook until product has reached an internal temperature 165°F.
